Zep Professional Pot & Pan Detergent (left) is a concentrated general-purpose cleaner for pots, pans, and food preparation surfaces that can be used on all surfaces not harmed by water. It rinses freely and leaves no hard water film. Zep Professional Food Service Heavy Duty Degreaser (center) is a concentrated, multi-surface, non-butyl cleaner and degreaser with biodegradable surfactants. It effectively removes dirt, grease, animal fat and protein build-up in food establishments. It is good for use on most surfaces of ovens, grills, hoods and filters. The degreaser is USDA applicable. The Calcium & Lime Remover (right) is specifically formulated to efficiently eliminate lime scale and haze from kitchen equipment and utensils. This acidic liquid works in a variety of applications from de-scaling dishwashers to removing film from glassware.
